

Bracken

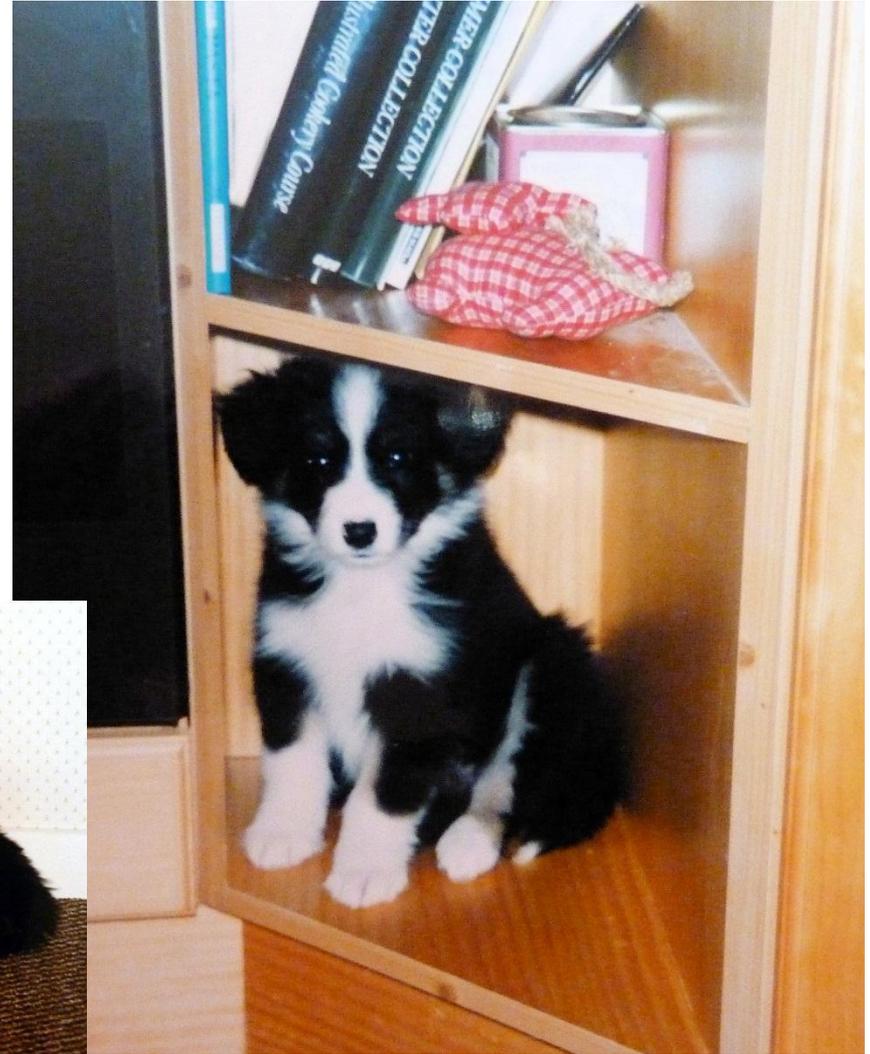

The life of a border collie

Bracken was born on the 18th March 1996 and was brought home in May.

She was very, very cute.....

For a little while!

But then she blossomed into the most beautiful young collie ever.

She *loved* swimming!

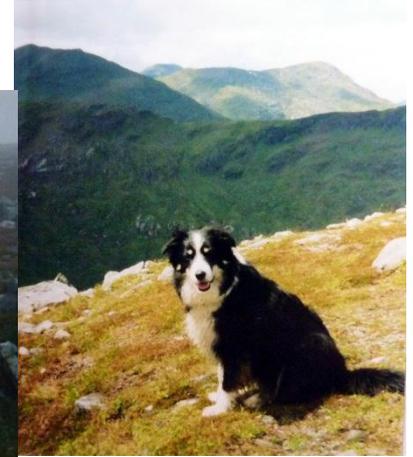

And playing games

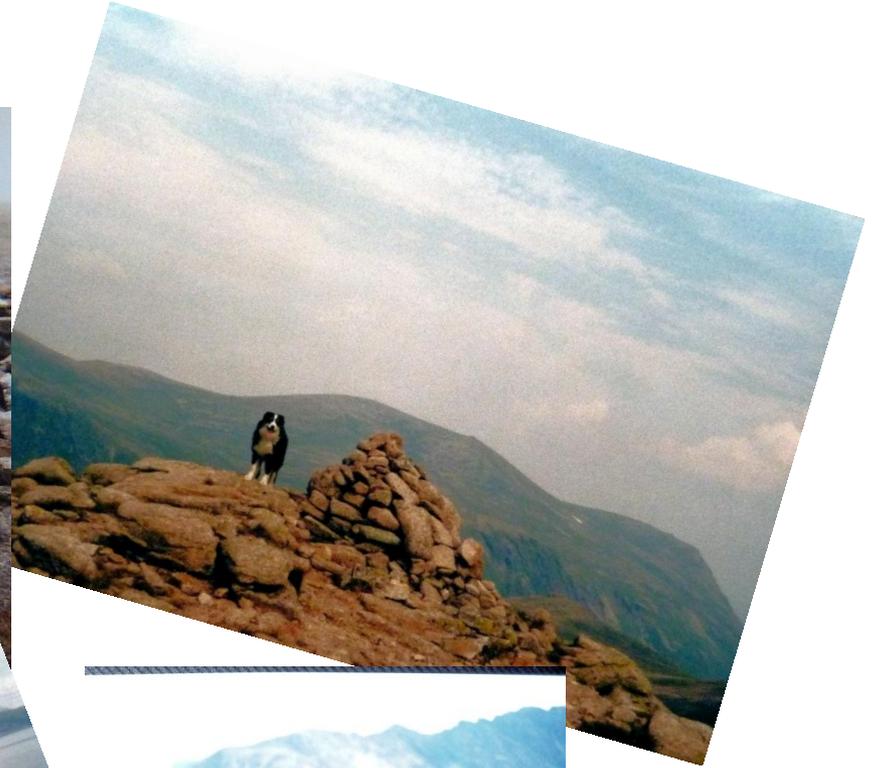

But she was also very naughty!!

She enjoyed going for walks

And appeared at the top of many summits

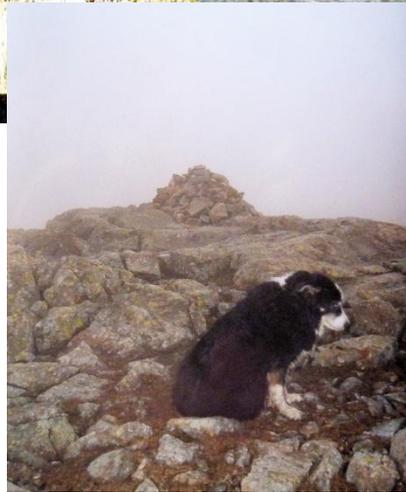

Then Charlotte was born

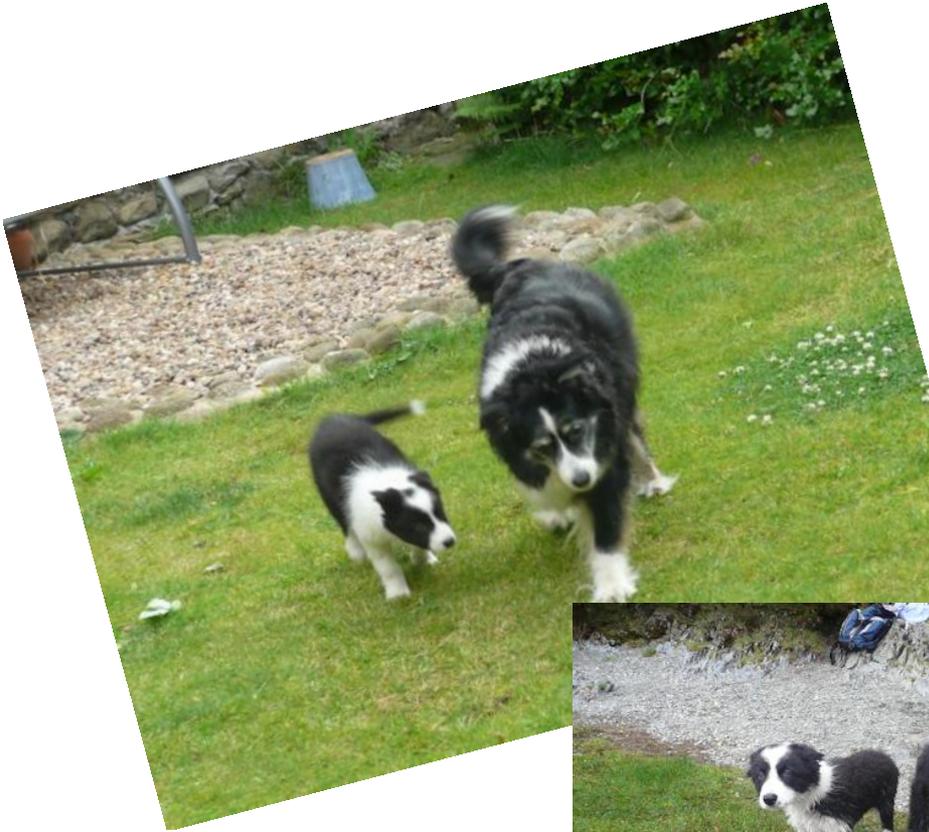

Bracken *loved* the family beach holidays

But then walking became a challenge

But Mist was even more of a challenge!

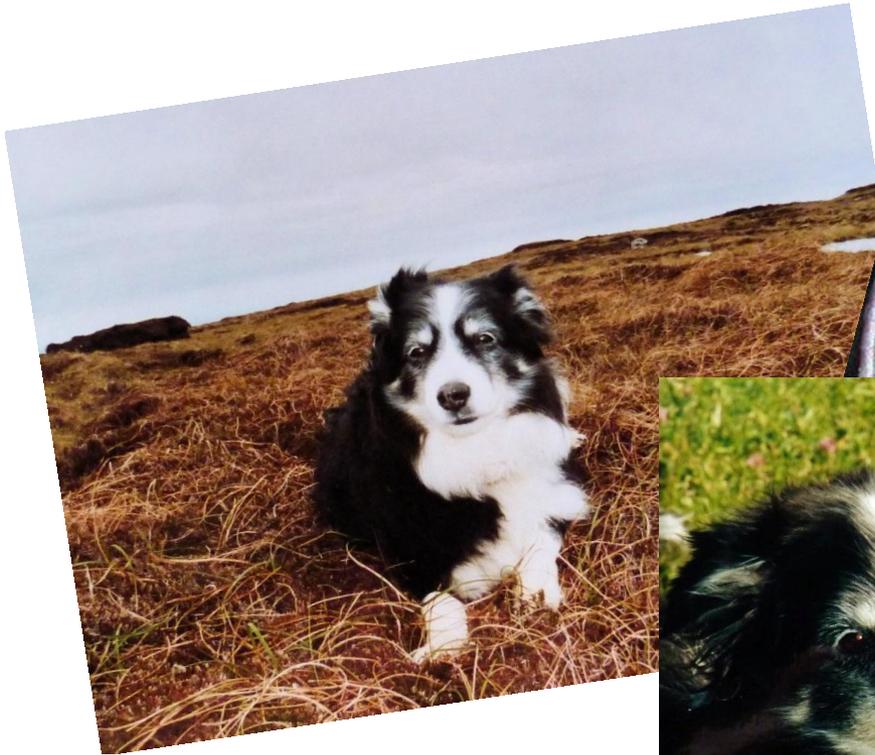

Even when she got a bit bigger

It just wasn't fair!

But then Bracken got older

Still beautiful

But older

Until

Bracken died on the 23rd October 2011, at 15 years old.
